MEMORANDUM FOR:

THROUGH:

SUBJECT:

Special Construction, Totohoyen, China

REFERENCE:

Requirement No. NSA/SOC/R-142/69
NPIC Project No. 250413

25X1

1. In response to the referenced requirement, a search of photography was conducted within a 20-nautical-mile (nm) radius of Totohoyen, at 34-12-30N 092-26-30E, for all communications or electronics equipment and/or facilities, weather stations, military installations, evidence of research and development of any type, and new construction other than road work.

2. The entire search area was covered on small-scale photography of fair-to-good interpretability, and partly covered by high-resolution photography of fair-to-good interpretability.

3. The following facilities are located within the search area:

a. Totohoyen Radio Communication Station, located on the south edge of Totohoyen at 34-12-20N 092-26-30E, equates to Ulan Muran Radio Communication Station, [] at 34-12N 092-34E. Photography of [] (the earliest photographic coverage of the area) of this installation revealed two large stick masts, two small stick masts, two tuning shacks, five small probable operations buildings, and two personnel tents. Small-scale photography precludes a more recent readout of the installation.

b. Totohoyen Barracks Area, a partially secured barracks area located immediately west of Totohoyen at 34-12-30N 092-26-20E, contained one administration building, one messhall, nine barracks, and 12 support buildings in []. This barracks area was not present in [].

25X1A

25X1D

d. Totohoyen Probable HF Communications Facility 2, located 3 nautical miles southwest of Totohoyen at 34-10-40N 092-24-00E, equates to Puhamangkanai HF Communications Facility 2, [REDACTED] at 34-08N 092-32E. This site contained four stick masts in a rhombic pattern, one other stick mast, and two operations buildings in [REDACTED]. Small-scale photography precludes a more recent readout of the installation.

e. All coordinates referenced in this report are derived from the ACIC Tactical Pilotage Chart (TPC), Sheet G-8D, 1st Edition, January 1969, scale 1:500,000. This TPC is the only available map of the search area which can be validated from current photography.
